

LE CLOÎTRE

Dear guests,

We thank you for choosing our house for your stay in Arles.

Our hotel does not have its own parking, so you can park at the Parking du Centre which is more accessible. As it is a public parking, places are not assigned.

Being customers with us, you can benefit of a preferential rate of 14,00€ per 24H in our secured box.

It is not possible to reserve this service in advance and remains subject to availability of parking cards on the day of your arrival at the hotel.

To join the hotel then you have to go out on the *boulevard des Lices*, to take the *rue Jean Jaurès* then the *rue du Cloître*, and finally arrive at our place.

However, if you prefer first to come at the hotel to drop off your luggage you can reach us by calling at +33 (0)4.88.09.10.00 in order to lower the barrier of the *rue Jean Jaurès*.

Little information that matters...

To access our box, you'll have to come inside the parking by the level 0 which entry is on the *rue Émile Fassin*.

Place yourself in front of the box and compose the code "3210" to come in. You can park your vehicle. Do not forget to let know at Reception that you are there for us to register.

On your check-out day, two options are available to you:

1. If you have been given a parking card upon your arrival, you can leave it in the letterbox at the exit above it's written Le Cloître / l'Arlatan (do not forget to deposit it, otherwise 50,00€ additional fees will be charged).
2. In case we had no more availability, will be at your expense the usual price of parking.

Market day:

Every Saturday morning the market takes place on the boulevards *des Lices* and *Georges Clémenceau*. We advise you not to park on the outside car parks, cars being removed by the pound at night. On the other hand, it will be impossible to reach the hotel by car before 2PM on saturday.

There is also a market every Wednesday morning on boulevard *Émile Combes*. The boulevard remains open, but the parking lots are occupied all morning. Therefore, be careful not to park there, subject to possible impoundment.
